EXPERIENCE FRONT ROW VIEWING FROM ANYWHERE

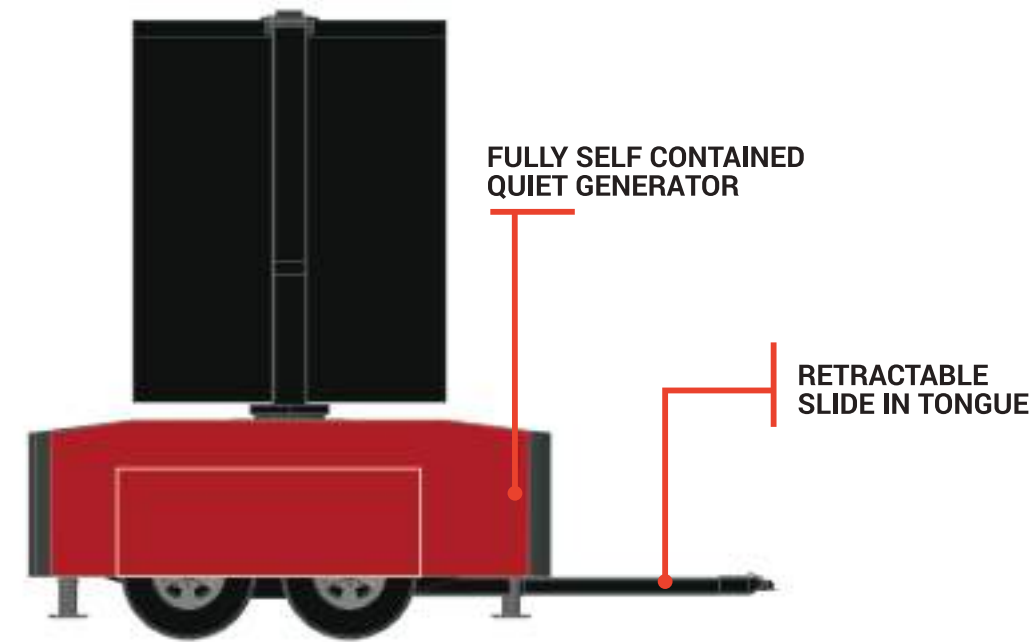

SMALL SPACE. BIG POSSIBILITIES.

INTRODUCING THE ALL-NEW FrontRow® Anywhere FROM TRALEX & AVS LED

For more than 50 years, Trailex has been a trailblazer in the world of trailers, designing and manufacturing trusted and innovative solutions. Now partnering with AVS LED, we are proud to introduce FrontRow® Anywhere.

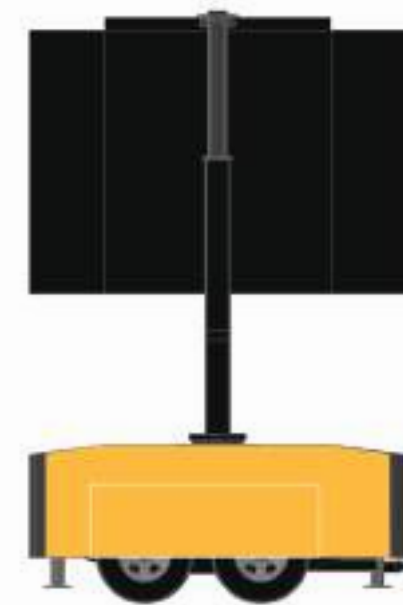

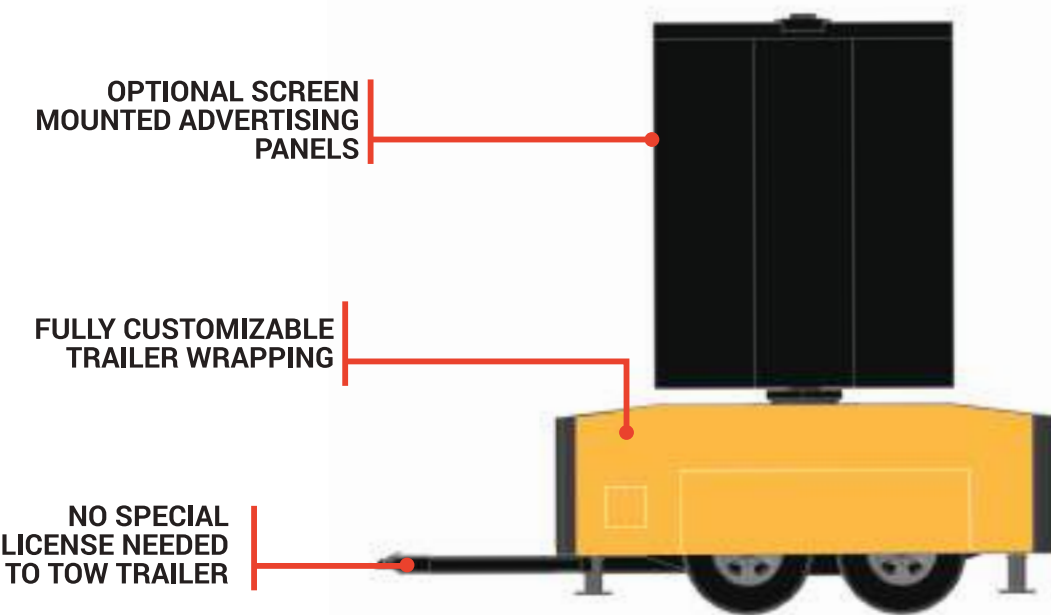

Advanced functionality and a compact design ensure easy setup and transport from location to location that's non-intrusive. Our FrontRow® Anywhere LED Display Trailer comes in either a 10' x 5' or 13' x 7' LED video display that can be adjusted with a hydraulic lift and remotely operated from anywhere.
