BUILT, DESIGNED & MANUFACTURED IN NORTHEAST OHIO

**FrontRow Mobile Exposure<sup>®</sup>**

**GO BIG. BE BOLD.**

**FEATURING THE LED ADVERTISING TRUCK FROM TRAILEX**

FrontRow Mobile Exposure<sup>®</sup> from Trailex is built with architectural simplicity featuring state-of-the-art technology to wow audiences with the best picture and sound quality ever imaginable. Our relationship with leading manufacturer's in the industry along with 50 years of trailer manufacturing provide the most superior product available today.

Trailex gives you a turnkey solution or bring us your Ford<sup>®</sup> Transit 350 cutaway van with Unicell fiberglass body, and we'll modify the vehicle into a digital mobile billboard. Our LED ADVERTISING TRUCKS are equipped with high-grade 6MM Pitch Outdoor LED video displays. Wirelessly monitor and control displays from any internet-connected device.

A clean, simple design with easy access to modules and wiring.

Easily accessible equipment rack

- 3 media players
- 3 video processors
- 3 LED display controllers
- 1 switcher
- 2 power units

## PERFECT FOR...

- BRAND ADVERTISING
- TRADE SHOWS
- CORPORATE EVENTS
- POLITICAL CAMPAIGNS
- GRAND OPENINGS
- PARTY RENTALS
- VIDEO GAME EVENTS
- CONFERENCES

## HOW TRAILEX ASSEMBLES

### YOUR LED ADVERTISING TRUCK

- 6MM Pitch Outdoor LED screens are installed in custom-made aluminum screen racks open in the rear with no boxes.
- Three screens in total are placed, one on each side (10' 1" x 5' 8") and one on the rear door (5' 8" x 5' 8").
- Light sensors and three video processors come included. Sound speaker system is optional.
- All wiring and power supplies installed by our expert team.
- Generator: Onan Quiet Diesel 12,000 watts installed in the center of the body. Modified exhaust and diesel fuel pick up out of original truck tank.

## CAN TRAILEX PROVIDE ME WITH A TURNKEY SOLUTION?

This is the question we get asked the most here at Trailex. And the answer is, YES! We offer a turnkey solution, including the vehicle and Unicell fiberglass body. Ask us about financing.

## LOOKING TO RENT?

Trailex LED Event Solutions gives you access to a wide range of quality, high-contrast LED video displays, including the FrontRow Mobile Exposure®, to take your next event to new reaches.
