Model 801

Similar to our trailers, this rack is fully adjustable. Our rack comes with special vinyl protection on all bars. It also comes with four safety feet. This rack can also be converted to a movable display rack for your retail boat sales (option 801CKIT). For those of you that already have a utility or flat bed trailer, this rack has an optional kit to mount on your trailer (option 801TKIT).

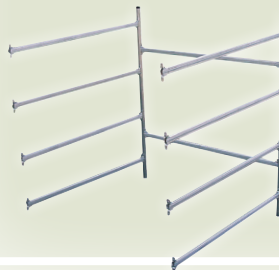

**801TKIT
Trailer Conversion Kit (Option)**
This aluminum base will allow you to mount the 801 rack on your existing trailer. (may require addition hardware available locally).

801CKIT (Option)
Caster Kit to allow for a more mobile retail display. (must be ordered with 801TKIT).

Model SUT-4BR

This is our stand alone 4 boat all aluminum "box" style boat rack. This rack will take boats up to 72" wide, the crossbars are fully adjustable for hull depth. Comes standard with cast aluminum feet and protective top vinyl caps. Options are anchor brackets, casters, wood slide bunks and vinyl padded inserts. Our unique "T" bolt construction allows for full adjustment and easy add on options to accommodate any custom need. Start with one box rack and add our SUT-4BRE extension module to create a limitless amount of custom boat storage.

Model SUT-4BRE

This is our 4 boat extension module it links to the stand alone SUT-4BR. There is no limit to your options with our unique bolted aluminum construction. (all BRE extensions must be added to a stand alone BR unit, sold separately).

Model SUT-3BR

This is our stand alone 3 boat all aluminum "box" style boat rack. This rack will take boats up to 72" wide, the crossbars are fully adjustable for hull depth. Comes standard with cast aluminum feet and protective top vinyl caps. Options are anchor brackets, casters, wood slide bunks and vinyl padded inserts. Our unique "T" bolt construction allows for full adjustment and easy add on options to accommodate any custom need. Start with one box rack and add our SUT-3BRE extension module to create a limitless amount of custom boat storage.

Model SUT-3BRE

Model SUT-4CK

This is our free standing rack for 4 boats. With our bolted construction it is fully adjustable. Comes standard with protective vinyl on arms to protect boats, also vinyl feet to protect floor. Perfect for retail display, optional caster kit available.

Model SUT-3CK

This is our free standing rack for 3 boats. With our bolted construction it is fully adjustable. Comes standard with protective vinyl on arms to protect boats, also vinyl feet to protect floor. Perfect for retail display, optional caster kit available.

SUT-300U

The new universal dolly from Traillex will accommodate almost every kind of small boat. This dolly extends from 8'6" to almost 14' quickly with no tools needed! The pads and bow stop are fully adjustable to achieve the perfect fit for almost any small boat, canoe, or kayak. The adjustable length provides easy storage and lets you achieve the perfect balance for easy pulling. It also provides quick adjustment from one boat to another. Heavy duty aluminum construction gives you lightweight strength with a lifetime of maintenance free ownership. This dolly truly is a quality investment. Comes standard with 6" plastic wheels.
